

WORKSHOP EVENT

T&A SUPPLY
624 W. Potter Drive

OCT 27
Thursday

3:00pm

Are you interested in learning more about wedi's shower systems? Bring your questions to this workshop event and learn about their customizable product line.

WHAT TO EXPECT

- Background and technical information about Wedi
- A full sized mock up built with step-by-step instructions on proper installation.
- Tips and tricks presented during the installation to help increase efficiency of installation while reducing potential errors in the field.
- Presentations on: how to miter extension panels, how to install multiple extension panels, how to customize a wedi niche', and the various uses of the different thickness wedi panels.
- **Wedi Representative Mike Stroppa** will be available after the presentation for Q&A.

To RSVP, call 907-562-7751 or email santinoj@tasupply.com
